# ART AND ALICE JOHNSON

**208 ASBURY DRIVE**

**EXTENSION: 6879**

Alice is from New Jersey, Art is from Indiana. They met and married in Washington, DC and lived in the Walnut Hill area of Gaithersburg for fifty-one years and both of them had active roles in the citizens' association there. They relocated to the Asbury retirement community during January, 2012. They have three grown children, two sons and one daughter, as well as two grandsons. They are charter members of Good Shepherd Lutheran Church in Gaithersburg and both of them were leaders for many years in numerous church activities.

Art is a graduate of Purdue University in Indiana. He is a Navy Seabee and worked at the Naval Ordnance Laboratory in White Oak, Silver Spring for thirty-two years. Alice is a graduate of American University in Washington, DC. Although she did not enjoy fulltime employment after marriage, she is a substitute for Montgomery County Public Schools since the early 1970's. Alice is a member of Alpha Chi Omega, a national women's fraternity, and continues an active involvement with that organization.

They both like to travel. In the past, they have driven throughout the United States, even across Canada. They enjoy cruises and have been in the Caribbean, Hawaii, the Baltic and Scandinavian countries, and the Mediterranean. They play in a couples pinochle group. Alice enjoys bridge and also plays in a senior's tennis class with the city of Gaithersburg. They both enjoy reading. Their children hosted a 50th wedding anniversary celebration for them in May, 2010 at the Golden Bull in Gaithersburg.

The Johnsons have several friends who preceded them in moving to Asbury Methodist Village which will help them feel right at home.
